

"I'd like to empower my team more. The greatest assets we have is our people."

## Leaders as Coach Programme (1-2 days)

**Overview:** The Leaders as Coach programme provides leadership skills to your people that will elevate you above your competition. It provides the tools and techniques to help your people managers create a motivational environment which inspires results.

**The Course:** The Leaders as Coach programme recognises that your company has great products and services. The things that will elevate you above your competitors are your people and the leadership within your organisation. This programme helps your people managers create a motivational environment which inspires results.

The Leaders as Coach programme is a one or two day duration course and on completion all delegates receive a Certification of completion accredited by GoodSense Training.

This programme is endorsed by the Institute of Leadership and Management. This means that you and your team can gain the benefits of automatically becoming studying members of this prestigious organisation for one full year after attending the programme as well as receiving their seal of approval on your certificates.

### Course objectives:

#### *Delegates will leave the course with:*

- > Increased knowledge and skills on how to increase results
- > With a developed self-awareness
- > Increase accountability
- > Improved skills to develop relationships
- > Clear action plans that will make a difference from day one.

At the heart of the development program is the powerful and unique 8 Skill Coaching Model™.

The program includes a unique coaching skills survey. This 180° feedback tool allows individuals and organisations to benchmark managers' coaching skills.
