

"I'd like to gain a better understanding of risk assessment procedures."

## Certificate in Risk Assessment and Risk Management (1 day)

**Overview:** The Certificate in Risk Assessment and Risk Management will identify key themes in risk assessment and explore how staff can manage risk in practice in order to create a safe and positive working environment.

**The Course:** The course will also focus on developing awareness of undertaking risk assessments and formulating risk management procedures.

The Certificate in Risk Assessment and Risk Management is a one day duration course and on completion all delegates receive a Certificate in Risk Assessment and Risk Management Certification by GoodSense Training.

### Course objectives:

#### *Delegates will leave the course knowing how to:*

- > Identify key themes in risk assessment.
- > Describe the principles and dilemmas related to enabling service users to take risks.
- > Describe how to complete a risk assessment and involve significant parties.
- > Undertake the process required to complete a risk assessment.
- > Identify methods and actions for managing risks.
- > Identify ways to overcome blocks to risk taking.
